Reviews

This publication is wonderful. Better than never, though I am quite late in starting to read this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be the finest PDF for actually.

(Ms. Sydnee Lesch)

DIANA MOSLEY

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Diana Mosley, Anne De Courcy, Diana Mosley was one of the most fascinating and controversial figures of recent times. For some, she was a cult; for many, anathema. Born in 1910 Diana was the most beautiful and the cleverest of the six Mitford sisters. She was eighteen when she married Bryan Guinness, of the brewing dynasty, by whom she had two sons. After four years, she left him for the fascist leader, Oswald Mosley, and set herself up as Mosley's mistress - a course of action that horrified her family and scandalised society. In 1933 she took her sister Unity to Germany; soon both had met the new German leader, Adolf Hitler. Diana became so close to him that when she and Mosley married in 1936 the ceremony took place in the Goebbels drawing room and Hitler was guest of honour. She continued to visit Hitler until a month before the outbreak of war; and afterwards, for many, years, refused to believe in the reality of the Holocaust. This gripping book is a portrait of both an extraordinary individual and the strange, terrible world of political extremism in the 1930s.
