Reviews

Complete guide! Its such a good go through. It is rally fascinating through reading period of time. Its been written in an extremely basic way and is particularly only after i finished reading through this publication through which really changed me, change the way i really believe.

(Mrs. Macy Stehr)

THE FOG OF PEACE: A MEMOIR OF INTERNATIONAL PEACEKEEPING IN THE 21ST CENTURY

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, The Fog of Peace: A Memoir of International Peacekeeping in the 21st Century, Jean-Marie Guehenno, No small number of books laud and record the heroic actions of those at war. But the peacekeepers? Who tells their stories? At the beginning of the 1990s, the world exited the cold war and entered an era of great promise for peace and security. Guided by an invigorated United Nations, the international community set out to end conflicts that had flared into vicious civil wars and to unconditionally champion human rights and hold abusers responsible. The stage seemed set for greatness. Today that optimism is shattered. The failure of international engagement in conflict areas ranging from Afghanistan to Congo and Lebanon to Kosovo has turned believers into skeptics. The Fog of Peace is a firsthand reckoning by Jean-Marie Guehenno, the man who led UN peacekeeping efforts for eight years and has been at the center of all the major crises since the beginning of the 21st century. Guehenno grapples with the distance between the international community's promise to protect and the reality that our noble aspirations may be beyond our grasp. The author illustrates with personal, concrete examples--from the crises in Afghanistan, Iraq, Congo, Sudan, Darfur, Kosovo, Ivory Coast, Georgia, Lebanon, Haiti, and Syria--the need to accept imperfect outcomes and compromises. He argues that nothing is more damaging than excessive ambition followed by precipitous retrenchment. We can indeed save many thousands of lives, but we need to calibrate our ambitions and stay the course.
