Brand New Book ***** Print on Demand *****.Excerpt from **A Collection of Forms Practice and Pleading, Vol. 1: In Actions, Whether for Legal or Equitable Belief, and in Special Proceedings; Prepared With Reference to the Code of Procedure of and Adapted to the Present Practice in the States of Ohio, Indiana, Iowa, Wisconsin, Minnesota, California, Oregon, Missouri** For the materials of this work we have preferred to rely chiefly upon actual precedents, which have been prepared for practical use, and subjected to the tests of actual litigation. Such material needs much revision to adapt it to general utility, but is obviously the best foundation for a collection like the present. For this we have had ample resources, both in the accumulations of a considerable practice, and in the course of reporting cases of practice for a number of years, and also in the kindness of members of the profession in this city and elsewhere. In addition to these, such of the standard Reports as seemed most valuable for this purpose have been examined, to enrich these pages with what has the express sanction of judicial opinion. Many such forms in the Reports, which would too rarely be of use to afford them space here, are referred to in notes, in connection with kindred forms in the text.
