DR. FRED S HEALTHCARE RESCUE: THE REAL SOLUTION TO HEALTHCARE (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.If Not ObamaCare, Then what? Critics of ObamaCare (The Patient Protection and Affordable Care Act) have not been united in proposing a suitable alternative. The author, Dr. Fred F. Hollingsworth, has the solution. His plan is presented in Chapter 10 of his book which is reviewed below. This plan will lower costs considerably while greatly increasing the quality of healthcare. Very powerful national and international financial interests have controlled healthcare for several decades. Their motive is mainly profit. Very little money is made by getting people well and keeping them well. Much money is made by keeping people sick but alive. The term healthcare is not actually correct. It should be called sickness care. Any health product or therapy, no matter how effective, is thus rejected if it is not profitable. Doctors, who attempt to use any unapproved lifesaving treatments to heal patients, face prosecution, the loss of their licenses, jail, financial bankruptcy, the loss of their health, and sometimes their actual physical safety. The above noted financial powers have long controlled the media and have built a gigantic propaganda machine to indoctrinate the public continuously to believe that various lifesaving products and therapies, are in fact fraudulent and constitute quackery. The public is, instead, led strongly but erroneously to believe that good health depends substantially upon the liberal use of expensive prescription drugs and surgeries. Furthermore the public is led to believe many untrue beliefs which are damaging to health. A Review by Dr. Morton Walker 9-7-2012 Dr. Fred blows the lid off the health care scandal--the crime of the century with far more victims (believe it or not) than resulted from the terrible Nazi Holocaust. Tens...
