

The Pirates of Malabar, and an Englishwoman in India Two Hundred Years Ago (Paperback)

By John Biddulph

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the first days of European enterprise in the East, the coasts of India were regarded as a favourable field for filibusters, the earliest we hear of being Vincente Sodre, a companion of Vasco da Gama in his second voyage. Intercourse with heathens and idolaters was regulated according to a different code of ethics from that applied to intercourse with Christians. The authority of the Old Testament upheld slavery, and Africans were regarded more as cattle than human beings; while Asiatics were classed higher, but still as immeasurably inferior to Europeans. To prey upon Mahommedan ships was simply to pursue in other waters the chronic warfare carried on against Moors and Turks in the Mediterranean.

Reviews

A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.

-- **Nathanael Treutel**

This publication will be worth purchasing. It typically is not going to cost a lot of. Its been designed in an exceptionally straightforward way and it is just following i finished reading through this pdf through which actually changed me, change the way i believe.
