Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from King Philip s War: Based on the Archives and Records of Massachusetts The period marked by the Indian wars of 1675 and 1676, known as King Philip s War, is one of the most interesting and epochal in the early history of the New England colonies. It was the first great test to which the New England Commonwealths were subjected, and it enforced upon them in blood and fire the necessity of a mutual policy and active co-operation. The lesson that union is strength was learned at that time and was never forgotten. New England after the war, free from fear of any Indian attacks, was able to turn her attention to her own peaceful industrial and political development undisturbed. However much we must condemn the arbitrary aggressions which drove the Indian tribes into revolt, the historic fact must be accepted that between peoples the fittest only survive, and that as between races ethics rarely exist. The importance of this conflict in the minds of the early New England people is attested by the great attention paid to it by contemporary New England historians like Mather and Hubbard, and by the voluminous correspondence of the chief men in the colonies. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
