Realms Fiction, United States, 2010. Paperback. Book Condition: New. 2nd. 185 x 124 mm. Language: English . Brand New Book. Alzheimer s disease is among the leading causes of death in the United States. Although scientists have identified how the disease works it is still a mystery why the disease is increasing at such alarming rates. Medical science does not yet have the answer to many questions on the disease, so author Sheila Robertson turned to the Bible for guidance. In Alzheimer s s]]There Is Hope she uses her research to explain who is at risk for Alzheimer s disease, the three major symptoms of the disease, the biblical perspective on Alzheimer s symptoms, and how you can find healing and hope.
