Reviews

This is actually the very best pdf i have read through right up until now. This really is for those who statte there was not a well worth looking at. Your lifestyle period is going to be convert as soon as you total reading this article publication.

(Margaretta Wolf)

PUSH BACK!: HOW TO TAKE A STAND AGAINST GROUPTHINK, BULLIES, AGITATORS, AND PROFESSIONAL MANIPULATORS

Skyhorse Publishing. Paperback. Book Condition: new. BRAND NEW, Push Back!: How to Take a Stand Against Groupthink, Bullies, Agitators, and Professional Manipulators, B. K. Eakman, How many times have you had the unsettling experience of being treated as a troublemaker as soon as you question or raise an objection to a school policy, a textbook, a course of study, a new county regulation, or a community proposal? Every day, attendees of conferences, community forums, PTA meetings, and board meetings are made to feel uncomfortable and occasionally foolish by the person or persons leading the meeting. The speakers, moderators, or provocateurs--whom author B. K. Eakman refers to as professional manipulators--hold power over the room and know how to steer the discussion back to their agendas without ever answering audience questions or addressing their concerns. These people use techniques to ostracize those brave enough to stand and question or criticize them. With Push Back!, readers will be able to counter group manipulation tactics by learning to: Recognize psychologically controlled environments Identify the professional agitator/provocateur Examine components of psych war Undercut faulty, distorted, and biased arguments of opponents Squelch techniques used to rebuff audience members who complain or balk Neutralize consensus-building techniques And much more.
