THE WAVES OF THE GANGA

Paperback. Book Condition: New. Paperback. 84 pages. Science is yet to arrive at a final definition of life. It still divides everything into the living and the dead. But poets of lore treated it as a continuous flow from the life of the universe to the life of the tiniest sub-atomic particle and back. They experienced it and gave expression to the experience. The Vedas and the Upanishads are collections of these expressions. The art of yoga is the way...

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
