Reviews

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.

Brand New Book ***** Print on Demand *****.Excerpt from New York Water Supply: Department of Public Works Hon. William R. Grace, Mayor: Sir - In the quarterly and annual report which I transmitted to you on the 13th instant, I stated that under the direction of Mr. Isaac Newton, Chief-Engineer of the Croton aqueduct, with the assistance of Mr. E. S. Chesbrough, as Consulting Engineer, careful investigations and surveys have been made during the past year, to ascertain the best method of securing an additional water supply for the city; that these investigations and surveys have led to a definite plan for a new aqueduct from the Croton river to the city, the outlines of which I briefly stated; that upon examination the plan has received the approval of Mr. John B. Jervis, the distinguished constructor of the Croton aqueduct, Mr. James B. Francis, President of the American Society of Civil Engineers, and that it was also examined and approved by Mr. Robert K. Martin, under whose direction a similar work, the Baltimore water-works tunnel, was recently successfully constructed. I have now the honor of transmitting to you Chief-Engineer Newton s report of the proposed plan, with the opinions and approval of the eminent engineers who have examined it in all its various features. The facts and circumstances which have led to the immediate necessity of another aqueduct or conduit to bring a large additional supply of water to the city have been so often stated in previous reports of this Department, and they are so fully understood and appreciated by you, and I believe by the greater part of the people of this city, that they need no repetition here. The only questions...
