First of all I'd like to introduce and tell you a bit more about myself. My name is Soo Bin Park and I am in 11th grade in Korea international School. I have lived here for most of my life, but I also lived in California and studied there for three years. Even though I went to California alone, I was able to adapt to this new culture and loved the experience. After three years of studying in school there, I came back to Korea for high school. I decided to make this story book because I wanted to improve my Spanish by translating stories from Korean into Spanish. I have learned Spanish since 7th grade, and I am still learning it at school. Also, by creating this book, I wanted people from all around the world to learn about and enjoy the fun and mystery of Korean fairytales. Thank you for reading and I hope you all to enjoy this book! This item ships from La Vergne, TN. Paperback.
