

Human Security in an Insecure World (Paperback)

By John Grayzel

Dialogue Consultation Press, United States, 2012. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This study-based in part on an Interactive Dialogue held at the University of Maryland-addresses the emergence of a new doctrine of international relations known as human security. Whereas traditional concepts of national security focus on the safety of states, human security is concerned with the wellbeing of individuals. The United Nations, for example, defines human security as encompassing human rights, good governance, economic opportunity, education, and healthcare. The panelists featured in Human Security in an Insecure World offer diverse perspectives and analyses, but they agree that achieving human security is a long-term process, that the international community needs to develop an appropriate institutional architecture, that collaborative approaches are paramount to achieving security beyond a mere absence of violent conflict, that understandings of sovereignty need significant rethinking and adaptation, and that principles and spiritual beliefs are important foundations for achieving meaningful progress on these goals. The Interactive Dialogue transcript is presented together with an Introduction, explanatory notes, appendices, and an extensive annotated bibliography.

Reviews

A whole new eBook with a brand new perspective. it was actually writtern quite completely and useful. I found out this ebook from my dad and i recommended this ebook to discover.

-- **Dr. Wyatt Morissette**

This publication is indeed gripping and intriguing. It is actually writter in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be he best pdf for at any time.
