Die Again Tomorrow

By Kira Peikoff

Kensington Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Die Again Tomorrow, Kira Peikoff, Isabel Leon, the star of a survival reality show, thinks she can endure anything. But when she unwittingly gives an unscrupulous mogul a chance to profit from her murder, she becomes the target of a terrifying killer who makes nature seem tame by comparison. At first left for dead, she is rescued by a medical research team that operates outside the law. She awakens to find she's the living proof of a breakthrough that can change the world. Some people would pay any price to control it. Others would simply steal the secret—even if it costs Isabel's life. As powerful rivals pursue her, Isabel must risk everything to protect those she loves—or die again tomorrow. "Die Again Tomorrow" held me captive from the opening chapter in which a murdered woman is subjected to a secret medical procedure that brings her back to life. From there the story takes off like a rocket, full of surprises, fascinating science, and vivid characters. If you enjoy the medical thrillers of Crichton and Cook, this book is for you. I can't recommend it highly enough. Douglas Preston".
