Codi's getting used to being the new girl in her fifth grade class-but that doesn't mean she has to like it. Can't life just be normal? With her mother out of the picture and her father working odd shifts as a police officer, friends are important-as long as they're not the wrong kind. When Codi and a classmate, Keith Wright, are assigned to work on a history project, Codi has to make some hard decisions about her popularity in her new school. But everything changes when Codi picks up an old Texas Rangers badge that belonged to one of her ancestors and he appears right before her eyes! Her great-great-great-grandfather says he's come to help her, but how? And how is she going to explain the ghost of her long-ago Gramps to her history project partner and her father?.
