Buckner, The Human Condition portrays the thoughts and emotions experienced by both today s political agendas and the current state of chaos in which we all live. The human condition is both a cry of freedom and an emotionally exuberant examination of the pain that rises internally. Through both turmoil and triumph, Mr. Buckner, lays the ground for both the Social Condition, the problems of our current political state, as well as the Individual Condition, a brutally honest foray into the turbulent past and shadowy future of his own life.
