Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book should be helpful as a how to guide for a man working alone to build a strong, yet simple log cabin made to last. It can be a log cabin that a man can be proud to call his home or for a getaway home on the weekend. I built the 13 by 41 foot cabin shell, including cutting down the trees and peeling off the bark, in three months while camping out in a tent. Cutting down the trees and peeling off the bark took more than half of the time in completing the shell of the cabin. It was hard work, but by using the trees on my property, and a couple that I got off the river s gravel bar, I saved money and it gave me a more satisfying feeling of accomplishment as I lived my dream. I did the work by myself without anyone or any heavy log moving equipment helping. My wife, Su, and my then seven year old son, Anthony, helped me to work on the cabin mainly by...
