### ***Reviews***

*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
**(Mrs. Bridgette Rau MD)**

## WESTERN RIDER: VIEWS FROM A CAR WINDOW

Center for American Places, 2003. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. 9.5 x 0.6 x 8 inches. Brand new. Pristine. No markings. Jacket not clipped. Collection of Mr. Forsman's 35mm photographs shot enroute during automobile travel through the contemporary American west, including "Pulled Over", a rear-view mirror classic. Somewhat familiar roadside scenes, such as the dinos in South Dakota, are vastly more interesting in these photographs with their laconic captions. In glorious black-and-white. // Shipped carefully packed in a sturdy box.
