Reviews

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).

(Leslie Reinger)

AMBER BROWN: I, AMBER BROWN

Scholastic, Inc, 2000. Soft Cover. Book Condition: New. Tony Ross (illustrator). Amber Brown loves the holidays. The shopping, the wrapping, the unwrapping. She isn't having any trouble with gifts, but life is another story. She's so happy her dad has moved back to New Jersey, but her mom isn't. It means the beginning of shared custody, and that means more fighting. Amber feels as if half of her belongs to her mom and half of her belongs to her dad, and that doesn't feel good at all.
