This little book is but another chapter in the shy wild life of the fields and woods of which Ways of Wood Folk and Wilderness Ways were the beginning. It is given gladly in answer to the call for more from those who have read the previous volumes, and whose letters are full of the spirit of kindness and appreciation. Many questions have come of late with these same letters; chief of which is this: How shall one discover such things for himself how shall we, too, read the secrets of the Wood Folk There is no space here to answer, to describe the long training, even if one could explain perfectly what is more or less unconscious. I would only suggest that perhaps the real reason why we see so little in the woods is the way we go through them talking, laughing, rustling, smashing twigs, disturbing the peace of the solitudes by what must seem strange and uncouth noises to the little wild creatures. They, on the other hand, slip with noiseless feet through their native coverts, shy, silent, listening, more concerned to hear than to be heard, loving the silence, hating noise and fearing it, as they fear and hate their natural enemies. We would not feel comfortable if a big barbarian came into our quiet home, broke the door down, whacked his war-club on the furniture, and whooped his battle yell. We could hardly be natural under the circumstances. Our true dispositions would hide themselves. We might even vacate the house bodily. Just so Wood Folk. Only as you copy their ways can you expect to share their life and their secrets. And it is astonishing how little...
