You see endless stories about Johnstown. What happened at Peshtigo makes Johnstown look like a birdbath. - Bill Lutz, co-author of Firestorm at Peshtigo The air burned hotter than a crematorium and the fire traveled at 90 mph. I read an account of a Civil War veteran who had been through some of the worst battles of the war. He described the sound - the roar - during the fire as 100 times greater than any artillery bombardment. - Bill Lutz In arguably the most famous fire in American history, a blaze in the southwestern section of Chicago began to burn out of control on the night of October 8, 1871. It had taken about 40 years for Chicago to grow from a small settlement of about 300 people into a thriving metropolis with a population of 300,000, but in just two days in 1871, much of that progress was burned to the ground. Due to the publicity generated by a fire that reduced most of a major American city to ash, the Peshtigo Fire of 1871 might fairly be called America s forgotten disaster. Overshadowed by the much better covered and publicized Great Chicago Fire that occurred on the same evening, the fire that started in the Wisconsin logging town of Peshtigo generated a firestorm unlike anything in American history. In addition to destroying a wide swath of land, it killed at least 1,500 people and possibly as many as 2,500, several times more than the number of casualties in Chicago. While people marveled at the fact..
