She dreams of indulging in ornithology and a visit to an amusement park a summer of fun before she returns to a last year of high school, marriage, and middle-class homemaking. But in the country, Garnet finds herself under supervision of oppressive guardians, her father's wealthy cousin and the matron's stuck-up daughter. Only a job in a hat shop, an intense, secret relationship with a beautiful flapper, and a deep faith in her own heart can save her from the suffocation of traditional femininity in this coming-of-age story about a search for both wildness and security in an era full of unrest. It is the tale of a young woman's discovery of the science of risk and the art of rebellion, and, of course, the power of unexpected love. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
