Brand New Book ***** Print on Demand *****.Living Your Life One Day At A Time For A Year was written by D. Leo Lund after surviving six heart attacks and dying twice. He said everyone should die at least once so that they realize how fragile that their existance really is. How desperately fleeting that the oportubities to love and be loved can be. It provides the stark motivation to get up off of one s butt and live their life to the fullest. That is what this book of quotes, observations, and stories, is all about.
