Brand New Book ***** Print on Demand *****.Excerpt from Introductory Chemical Practice: For the Use of Students in Colleges and Normal and High Schools This work is the result of a preliminary trial made with a class in the chemical laboratory of Cornell University, in the Fall Terra of 1874. A small part of the matter contained in it was printed then in detached sheets for the use of the students. The work will be found on examination to present a mode of chemical practice which has the merit at least of novelty; and the experience of the authors justifies their expectation that it will be found to possess the more important merit of efficiency.
