In about an hour after setting out, they approached the village, which lay in a beautiful valley below them. Sounds of mirth and music rose like a distant murmur on the air, and mingled with the songs of birds and insects. Then the sun went down, and in a few minutes it grew dark, while the brilliant fireflies began their nocturnal gambols. Suddenly a bright flame burst over the village, and a flight of magnificent rockets shot up into the sky, and burst in a hundred bright and variouslycoloured stars, which paled for a few seconds the lights of nature. But they vanished in a moment, and the clear stars shed abroad their undying lustre, -seeming, in their quiet unfading beauty, a gentle satire on the short-lived and garish productions of man.
