

Of Mutability

By Jo Shapcott

Faber & Faber. Paperback. Book Condition: new. BRAND NEW, Of Mutability, Jo Shapcott, Jo Shapcott's award-winning first three collections, gathered in "Her Book: Poems 1988-1998", revealed her to be a writer of ingenuous, politically acute and provocative poetry, and rightly earned her a reputation as one of the most original and daring voices of her generation. In "Of Mutability", Shapcott is found writing at her most memorable and bold. In a series of poems that explore the nature of change - in the body and the natural world, and in the shifting relationships between people - these poems look freshly but squarely at mortality. By turns grave and playful, arresting and witty, the poems in "Of Mutability" celebrate each waking moment as though it might be the last, and in so doing restore wonder to the to the smallest of encounters.
