Fatal Exchange chronicles the story of Tess Gideon, a female Manhattan bike messenger with an appetite for the wild side who becomes embroiled in a rogue nations Byzantine scheme to destabilize the U. S. financial system. From the sweltering streets of Seoul to the sex-and-drugs-driven underbelly of Greenwich Village, attempts at silencing a leak in an international counterfeiting operation leave a trail of butchery that leads inevitably to Wall Street, pitting a counter-culture heroine against a ruthless state-sponsored assassination team that will stop at nothing to achieve its lethal ends. As the body count climbs, Tess is assisted by a homicide detective tracking a brutal serial killer whose ritualistic cycle of murder and mutilation targeting bike messengers is escalating to fever pitch. Tess's battle to survive propels her into a deadly underworld where she must become judge and executioner, challenging her core beliefs about morality, justice and love.
