Oxford University Press, 1988. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A most useful collection in a large variety of subjects that will enrich my students' knowledge of Russian society prior to the Revolution of 1917."--Paul H. Elovitz, Ramapo College "Succeeds triumphantly in making vivid and audible the ideas and aspirations of the varied social groups of Imperial Russia."--The Slavonic Review "[An] extremely stimulating selection of unusual sources covering a wide span of social groups over 150 years--an ingenious anthology of primary documents made available for the first time. Hats off to Greg Freeze for a splendid anthology."--John T. Alexander, University of Kansas "Splendid! Thank goodness someone finally has done this."--Sue McCaffray, Wake Forest College "A most profound and eminently scholarly work on Imperial Russia of the 19th-century. It should be invaluable for any true student of the period."--J.L. Starr, School of the Visual Arts "I can't imagine ever teaching history of Imperial Russia without using this text. It is superb and long overdue."--Hugh D. Phillips, University of Alabama "An excellent collection of documents by a first-rate scholar. They provide first hand insight into life as lived in Russia on various levels. Students will find them fascinating."--James W. Cunningham, College of St. Catherine "Excellent. A judicious job of editing."--Paul Teverow, Missouri Southern State College "Unique collection of material, and presented in an informative and logical way."--T.E. Smuck, University of Hawaii "Another fine contribution from Professor Freeze, a volume destined to appear on a great many required text lists for courses in Imperial Russian history. The selection of documents is outstanding, and the concentration on three important historical periods also has merit."--Dr. Chester M. Rzadkiewicz, West Georgia College "An excellent collection. I intend to adopt it."--Edward Zeibrowski, Edinboro University of Pennsylvania.
