Wiley India Pvt. Ltd, 2014. Softcover. Book Condition: New. 3rd edition. Professional C++, Third Edition, provides a code-intensive, practical guide to best practices for designing and building C++ applications. Geared to experienced C++ developers, the book teaches programmers how to think in C++ -- that is, how to design effective solutions that maximize the capabilities of the language. The authors then drill down into the language itself, explaining poorly understood elements of the C++ feature set, as well as pitfalls to avoid.
